About This Content

Spanish guitar is famous for its fast-paced and skilled finger-work, a technique that adds undertones of complexity and passion to each of its songs.

Composed and performed by Murray Atkinson from VGM Library, Spanish Guitar Strings is a set of 14 music themes that covers everything from passionate romance to quick duels and beyond. Songs include other traditional Spanish instruments as well as real, authentic flamenco / spanish guitar, resulting in superb-sounding material that's sure to bring forth some of that flamenco flair.

This pack contains:

- 14 unique music themes in .m4a, .ogg, .mp3 and .wav formats
- Music for battle, romance, exploration and more!
- Royalty free music to use in your commercial and non-commercial RPG Maker MV projects.

Great music written with passion. You can really tell the artist had fun with this. I especially like "Battle Finale" and will be using it in my current project.
